Thrive Homes, LLC Wins Gold for a Whole Home Renovation

The Atlanta Sales and Marketing Council congratulates Thrive Homes, LLC for winning a Gold OBIE in the Residential Remodeling – Whole House Renovation (\$250,000 to \$500,000) category for a home on South McDonough Street in Decatur. The OBIE Awards are the premier

awards in the new home construction industry.

In undertaking this remodeling project, Thrive Homes sought to restore a classic Tudor Bungalow to its original character and charm while maximizing the potential of the property and blending modern conveniences with historic characteristics. Thrive Homes transformed a segmented bungalow floor plan, dated by today's standards, and created a very functional, open floor plan with a second story addition.

This home was transformed to enhance both form and function with an eye for detail – expanding upon the original characteristics of the home with custom millwork to match, replacing the original arched front door with a replica and incorporating new, energy efficient windows. The second story addition offers a spacious master suite and bath with honed marble double vanity sinks and a freestanding tub and shower. The exterior charm of the original home was preserved and incorporated into the new façade.

For more information visit, www.builtwiththrive.com or call 404-474-4814.

The Greater Atlanta Home Builders Association's OBIE Awards celebrates its 34th anniversary in 2014. The awards began in 1980 and have grown throughout the years to now feature more than 100 building, remodeling, marketing and personal achievement categories. The OBIE Awards, named after the obelisk shape of the actual award given, are the premier awards in Atlanta's residential building industry. To see more OBIE award winners, visit www.AtlantaRealEstateForum.com/OBIEs.
